

GAME BIRD HERITAGE PROGRAM 2009—2010 SPECIAL HUNTS

These special hunts are provided by the California Department of Fish and Game's Game Bird Heritage Program, in cooperation with many volunteer organizations. Your purchase of an Upland Game Bird Stamp supports these special hunts and other programs that provide additional Upland Game Bird hunting opportunities. The stamp is required for all Upland game Bird hunters except those with Junior Hunting Licenses.

The objectives of the Game Bird Heritage Special Hunts are to:

- Provide beginning level educational activities that support the directives of the Hunter Education Program
- Offer events that encourage the participation of apprentice hunters
- Provide additional public hunting opportunities for Upland Game Birds on public and private lands
